Times of the tide are taken from the U. S. Coast and Geodetic Survey tables. The tides at Kahului and Hilo occur about one hour earlier than at Honolulu. Honolulu standard time is 10 hours 30 minutes slower than Greenwich time, being that of the meridian of 157 degrees 30 mins. The time whistle blows at 1:30 p.m., which is the same as Greenwich 9 hours 9 minutes. The sun and moon are for local time for the whole group.

The Toyo Kisen Kaisha steamship Tenyo Maru, which was to have sailed for San Francisco promptly at 9:30 o'clock this morning, did not get away until 10 o'clock, being held half an hour while the hardworking employees of the postoffice hustled to get aboard the great pile of holiday mail leaving this city for the mainland.

## AT THE THEATERS

The inclement weather that prevailed last night interfered considerably with the attendances at all the theaters. There was, however, in the early part of the evening large audiences at almost all the houses, but the rain prevented many from attending the second shows. The programs at each house are good, and the coming week will introduce some new people.

### THE BIJOU.

The fact that last night was amateur night was sufficient to draw a fairly large audience to the Bijou, notwithstanding the unsettled weather. There was some good ability displayed by some of those who were on, and the Decker boys in their boxing bout got the audience quite worked up. These little fellows went at each other from the very start, and they gave an excellent display of boxing. Little Hollis Hughes was awarded the prize as the best performer, while the youthful boxers were second. Amateur night is a regular feature at the Bijou and it is a big attraction. Mike Paton and Ed Quigley have established themselves in the good graces of the audience, and Miss Gladys Middleton is still meeting with great success with her singing. The second installment of "The Gay Mrs. Dollar" went well, and deservedly so, for it is well produced, and has something about it that has never been seen at a picture house before. The dressing is excellent, and there is some originality about it, while the orchestra plays the incidental music in a manner that never fails to arouse enthusiasm. Tonight is the last night of the present program.

### THE PARK.

The Park suffered somewhat in its attendance last night owing to the severe rains that fell, but the additional roofing that Manager Congdon has had put up, assisted a great deal in keeping the rain out. The program being submitted at present is a good one. Of course, the star turn is Morris and Wilson's. These clever boys conclude their engagement at the Park tonight, but it is understood that they will play a farewell night on Tuesday, as they leave the following day for San Francisco by the O. S. S. Sierra. Manager Congdon has some good artists in view to take their place, and it is highly probable that some good actors will arrive on the Makura from Australia on Tuesday. If there are any suitable people on board, Congdon will engage them. Howard and Edwards have become great favorites, and their complete change of program on Thursday night was well received. Their dancing is a feature of the turn, and they should have a long and successful season at the Park. The Melnotte Sisters are still in the bill, and are meeting with success.

### THE NOVELTY.

Wise and Milton are concluding their farewell season at the Novelty tonight, for they leave by the C. A. S. Makura on Tuesday next for Vancouver. They have been engaged to tour on Pantage's circuit, but they will be back in Honolulu at the conclusion of their season on the mainland. They are receiving hearty applause each night for their turns. The Van Barkleys too are just as big favorites as ever, and so is little Jimmie. Miss Margaret Lowell is also on the bill, and she has become popular with her ballads. The program being submitted just now is a well-varied one, and it is highly appreciated each evening. There are many good pictures shown at this house. There will be the usual matinee today, and it is understood that the management has some good acts in view to replace Wise and Milton when they leave on Tuesday for the coast.

The Van Barkleys enter on their fourth week today with a one-act farce entitled, "Family Jinx." Master Jimmie will be entrusted with the comedy role. It is said that he will make the most of it, and make the farce a screamer.

### SAVOY'S NEW PEOPLE.

Crawford and Meeker, who arrived yesterday, opened up last night at the Savoy and scored an immense hit. They are comedians of the first water, and have the very latest in fun-making. Tonight the new team will be fully over the effects of the sea trip and may be expected to appear to even better advantage. Dot Raymond again presented her aeroplane song last night, and was heartily encored. The Malan-Magath combination will conclude their regular schedule this evening, after a very successful and satisfactory season.

### SNOOK'S FINE WORK.

Snook again escaped from the strait-jacket at the Empire last evening, to the astonishment of a large audience of careful watchers. This feat is in itself worth the price of admission to the show. The Gladstone sisters also reappeared last night, and will dance for the matinee this afternoon in addition to the regular evening engagement.
